

Newsletter February 2021

Although life in 'lockdown' continues, L.E.A.D. Equate Teaching School Alliance is determined to ensure that there is high quality CPD and support on offer. We have been working hard to create a package of remote learning support as well as offering 1:1 support for leaders and teachers. Due to timetabling and rotas in schools, we recognise that it is a challenge to attend live CPD online. We have therefore pre-recorded 'On Demand' Sessions which we are offering. This can be accessed by staff members at any point in time, anywhere. We would really appreciate feedback on this approach during this

'On Demand Sessions'

- These sessions are between 45 minutes to 1 hour in length.
- They cost £20 to access the recording
- They are all made by professionals with extensive experience in their field.
